REQUEST FOR REMOVAL OF RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D. C. 20231

Sir:

In reply to the Office Action dated February 13, 2003, containing a Restriction Requirement requiring the Applicant to elect either claims 1-12 or claims 13-27 for further prosecution, Applicant respectfully requests that the Restriction Requirement be withdrawn.

Applicant refers to Box 5 of the Transmittal Sheet filed with the Application, and respectfully notes that claims 1-12 and 22-27 of the originally filed claims were cancelled. Thus, only claims 13-21 are pending in this application. Accordingly, there should be no Restriction Requirement, and Applicant respectfully requests that the Restriction Requirement be withdrawn.
